Brian and Hazel Parker praise God for the kid's clubs in **Doohamlet**, **Ballinagh** and **Cootehill**. Please continue to pray for these young people and their families. We praise God that there are some from each of these clubs booked into our summer camps. As they near the end of the sessions for the mums and tots groups in **Ballinagh** and **Doohamlet**, Brian and Hazel thank God for the contacts made. Ask the Lord to continue to speak into these families. They are thankful for continuing opportunities to share the Gospel into schools; whether in assemblies, soccer coaching or religion classes. Pray on for these young folk and the teachers in all these schools and also as they meet with local Churches to plan for summer kids clubs.

It was a wonderful opportunity to share the Gospel with so many unsaved at "A Farmers Hope" mission in Mountfield Col. Pray on for the many to whom God is clearly speaking and for the minister and local believers as they continue to witness for Christ in this area. Pray for Divine appointments at agricultural shows, alongside the Rural Chaplaincy Team.

continue with **Durrow Centre** events; these include the Ladies Conference and Men's Weekend. Do pray for all the planning for these events.

Dear Praying Friends

We were deeply blessed by the challenging ministry at **Bangor Convention** when there was a particular emphasis on the need for revival. The messages are available on The Faith Mission website. It was encouraging to hear positive feedback and to see a slight increase in aggregate attendance. Thank you so much for standing with us in prayer.

Thank you for your prayers regarding the future of the Bookshops – we are pleased to share that the remaining shops in Northern Ireland will remain open. Further information is included on our website. Pray for Alasdair Maclean and the Bookshop Staff as they continue to serve in this ministry.

Many of you have been praying for a suitable couple to sense God's leading to the Irish Midlands District and the **Durrow Centre**. James and Katie Brown have sensed God leading them to this role – do pray for them and their young family as they prepare to move in the autumn. This will allow Mervyn and Rachel Tomb to be more present in **Edinburgh**, please pray for them as they work through the practicalities.

Andrew and Carolyn Maybin had a good time of outreach with the Gospel Truck during the month of April in **Raphoe** and also **Cloughwater** Pres Ch. Over the next few weeks, the Gospel Truck will be at the steam engine rally in **Antrim** and the **Balmoral Show**. These large public events are opportunities to share the Gospel with needy people and we trust that God will be at work in many lives.

Jenny has commenced teaching a new series of Bible Explorer lessons in **Eden** Primary school, near **Ballymoney** and these continue each Tuesday until 19 May. Some schools have been approached for the autumn and we look to the Lord for definite openings. On Friday 8 May Jenny shares at an assembly in **Ballymena** Primary and speaks at 'Fit for Life' on Wed 20
